SERVE YOUR BEST

The world of banqueting has an aura of it's own. Normally it is the culmination of an event; be it an opulent wedding or a stately conference, or for that matter, from a gathering of the kings and princes of the corporate world to a glitzy birthday celebration.

The only aspect common to all these are two: making of a lifestyle statement, and ZANUFF - the ultimate in craftily and elegantly designed food serviettes. ZANUFF straddles the entire range of serving dishes. Your entire ensemble has that distinctive and regal touch lending the final panache to your event.

No wonder, ZANUFF has always been the most discerning choice of the connoisseurs of fine dining and hospitality.
